

Due to the current coronavirus situation, we have closed the seating area at The Boathouse. We are instead offering a home delivery service of ready meals and a takeaway menu at the counter.

We are also stocking the shop with what groceries and provisions we are able to secure from our suppliers. These can be pre-ordered with a 48 hour turnaround on most items. We are also more than happy to offer free delivery within five miles of The Boathouse*.

Please let us know if you are isolating and we can either leave the delivery on your doorstep without any contact or knock on your door and take a step back if you'd like to say hello!

With best wishes, The Boathouse Team
