Dear Parents / Carers

Football tournament:

Caerlaverock Football Team played in the Cairn Cup yesterday in Gretna. Well done to the team for representing the school against many other local small rural schools in the area. There was even a Brownrock Challenge with a draw of 0-0!

Thank you to our parent coach, Mr Johnstone, for preparing the P4-7 players who are pictured in photo. Thanks to Mrs Thomson who was cheering the players from the sideline! Well done to William Turner who was nominated as 'Player of the Tournament' by Mrs Thomson.

Learning and Teaching – RSHP – Relationships, Sexual Health and Parenthood

Please find a letter enclosed in the Maildrop bag that informs you of the age and stage HWB lessons that will be delivered over the course of this term. This has been delivered for many years and staff take into account the delivery of these sensitive lessons that are suitable for each class within the RSHP programme.

After School Cooking Club:

The first cooking club - pizza making session - was a great success! Look at these happy faces of the children and staff, Mrs McCubbin and Mrs Thomson, with their delicious results!

There will be more food items on the menu for the next few weeks!
